

# YQ-4I

AI 4G dashacam for your safty

#### High Quality Record:

- 2K+1080P Dual cycling record
- HDR + 3D DNR

#### Fullwirelessconnection:

- High Speed 4G
- 5G WIFI+BT
- GPS+BD+GNSS

#### Parking monitor:

- 7\*24H recording
- AOV support low power consumption
- Remote warning on cellphone after events

#### AI-based Driving Assistance

ADAS:FCW/LDW/PCW  
DMS:FDW/ADW/UMW

#### Powerful online platform:

- Real-time video viewing
- Recall video file in a week
- Real-time event warning
- Location/Route tracking
